Series of 3 online workshops	March 15 th , from 3:30 to 5:00 pm CET
	March 21 th , from 2:30 to 4:00 pm CET
	March 28 th , from 2:30 to 4:00 pm CET
In-person presentation	March 31 th , from 9:00 to 10:30 am CET

Several hundred drawings have been created in conversations with people from science, art, economy and civil society in many countries. They form a "Dialogarchitecture" showing an overview over different challenges and their connections. Through artistic and cultural actions we reflect solutions for a sustainable future in this Visual Workspace.
